DEAF CONVENTION IS ENDED

Many Leave for Yellowstone Park—
Suburban Will Be Running
By August 1.

Ogden, July 11.—By a decisive vote the progressive people of Ogden declared at the polls yesterday that they wanted a new high school and many other much-needed improvements in the school buildings of the city. The citizens who are for greater Ogden's progress have branded the proposed bond issue of \$75,000 with approval and before the year passes will see a new high school which will cost approximately \$100,000 erected at the corner of Twenty-fifth street and Monroe avenue.

While members from the various organizations of the city were out early yesterday morning with automobiles rushing the progressives to the polls, many of those opposed to the issue lost no time in working against the bonds. In the First and Third wards the opposition carried but in the Second, Fourth and Fifth wards the opposition was downed by a big majority. The

bonds carried by a vote of 584 for and 414 against or a majority of 170 for the bonds. The total vote cast was 1,013, with 15 defective ballots.

The vote by wards is as follows:

Ward	For	Against
First	75	111
Second	62	48
Third	77	97
Fourth	198	64
Fifth	172	64
Total	584	414

Majority for bonds, 170.

Great credit for the carrying of the election is due to the Civic Improvement league of the city which has been working very hard for the election, particularly F. M. Driggs, J. C. Nye, J. E. Carver, J. S. Lewis and J. N. Sprague, who took the matter up with the board of education and urged it to resubmit the question of bonds to the people. After the board of education decided to re-submit the question, George H. Davis was appointed chairman of the publicity committee of the Civic league of the city, and it was due to his efforts that the public was afforded column after column in the papers of Ogden and Salt Lake city in favor of the bonds. His work as a press agent has been highly commended by members of the league and other organizations which worked for the bonds.

It is the intention of the board of education to advertise the bonds as soon as possible and it is expected that before the last of August the ground will be broken for the new high school upon the site so generously donated by Mr. and Mrs. Fred J. Kiesel.

CONVENTION CLOSES.

American Instructors of Deaf Mutes
Elect Officers and End Laborers.

Ogden, July 11.—Yesterday afternoon closed one of the most successful conventions ever held in Ogden city in the closing of the convention of American Instructors of the Deaf, which has been in session during the past week and attended by about 150 of the most prominent instructors in America.

Before the completion of the work of the convention the following officers for the next three years were elected: Dr. E. M. Gallaudet of Washington, D. C., president; Dr. J. R. Dobyns, vice president; J. Schuyler Long, treasurer; Percival Hall, secretary. Supt. F. M. Driggs was elected as chairman of the executive committee of which Dr. E. M. McKay Goodwin and R. O. Johnson are members.

Last evening 60 of the delegates attending the convention left in two special cars for the Yellowstone park, where they expect to spend about 10 days. Prof. and Mrs. Driggs went along as managers of the party.

The trains this morning carried the last of the delegates to the park. Many of those from the east and south, who had the time to spare, left for a tour of the west and northwest. All those who attended the convention were very loud in their praise of the reception accorded them in Utah. The entertainment offered them while in this city and the trip to Salt Lake City and the Yellowstone park were highly commended.

SUBURBAN OPENS AUG. 1.

President Simon Bamberger of the Salt Lake and Ogden railway was an Ogden visitor yesterday afternoon, on a tour of inspection of his interests in and near this city. He spent some time in conference with Supt. W. A. Whitney of the Union Pacific relative to the interlocking switch which is being installed at the crossing at the corner of Thirty-second street and Pacific avenue.

In speaking of his visit, President Bamberger said that he expects to see the crossing completely installed so that he can run his trains over the Union Pacific tracks by July 22. If the crossing is completed by the above date the senator says that he will surely have trains running into Ogden and up Healy avenue to Washington avenue and Thirty-first street by Aug. 1.

She is the daughter of Mr. and Mrs. John Strong of the First ward, having been born and reared in this city, 19 years ago becoming the wife of Mr. Hedquist, and was 35 years old. Her wide circle of friends extends to the bereaved husband and family their sympathy and condolence.

SESSION OF CITY COUNCIL.

City Tax Levy 8 Mills—Murray Day At Saltair July 16.

Murray, July 11.—The city council accepted the finance committee's report fixing the tax levy for the ensuing year at 8 mills—5 mills for contingent expenses and 3 mills to open, repair and improve sidewalks. The ordinance was referred to the mayor for his approval. John P. Cahoon volunteered to pave the sidewalk on Fifth avenue from State street to Poplar, providing the city will stand the cost of filling the ditch now occupying the walk. The proposition was referred to the street committee.

City Engineer Ulmer, assisted by the attorney, was asked to prepare a report on concrete mixture for next week.

MURRAY DAY AT SALT AIR.

Thursday, July 16, is the day chosen

as Murray day at Saltair, and a great time is anticipated. All the business houses of the town have agreed to close for the occasion. With business thus suspended the affair promises to be a great success. It has become the duty of every one to give out the information. No time is being saved advertising it nor effort spared in arranging programs and other features of entertainment. To warrant its success it is sufficient to say that the affair is under the auspices and supervision of the Murray First and Second ward choirs.

One of the pleasant affairs of the week was the surprise given Mrs. Hanson by the First ward choir, of which Mr. and Mrs. Hanson have been members since its organization, and the party evidenced the appreciation of their long service. Music, singing, refreshments and flowers galore were some of the things that made the occasion delightful.

Another surprise was tendered Ephraim Christensen and Mrs. William McMillan Thursday evening by the Gilbert family. Mrs. McMillan is a daughter and Mr. Christensen a son-in-law. The evening was pleasantly spent in games and dancing, cream and other refreshments were served.

BASEBALL THIS AFTERNOON.

Ogden meets Murray on the baseball track this afternoon and a great deal of interest is manifested in the game. Murray team is in good condition and local fans feel certain that the honors will be carried away by the smeltermen. Murray is also hopeful in her chances in the league. Prospects were never so bright. A number of good men have drifted in here and plenty of material can be had to meet every emergency.

SCANDINAVIAN REUNION.

Big Gathering of Norsemen Sunday, July 12—Excursion Notes.

Special Correspondence.
Brigham City, July 10.—The various committees in charge of the annual Scandinavian reunion to be held in Brigham City Sunday, July 12, are working hard to make it a success, from all reports from Salt Lake City and the Sanpete country the excursion from there will be a "hummer." The people from near the Idaho line also claim they expect the train from there will be loaded to the gears.

Two meetings will be held in the tabernacle at 10 and 2 o'clock, as well as overflow meetings in the park, followed by a sashed concert in the tabernacle in the evening. The Mutual Improvement associations will serve light refreshments, ice cream and summer drinks, strawberries, etc., while the citizens in general are preparing to entertain visitors and friends.

The Salt Lake special train will arrive at Brigham at 9:50 and return leaving Brigham at 10 p. m. Those from Salt Lake who desire to stay over may get their tickets extended by paying \$1.15 additional. Passengers can return on any regular train during the day. Carriages will meet the incoming trains and take the "old folks" from the depot to the tabernacle.

WHITAKER BARN BURNED.

Mr. Whitaker's small barn in the northern part of town that lately belonged to Wm. Gilbert, struck lightning morning and was burned down before the fire could be extinguished. In the barn were two horses with the harness on, one of them succeeded in breaking loose and ran wildly up town. It was caught on Main street and the burning harness removed while the other horse perished in the flames.

HOODLUMS ASSAULT OFFICER.

Three Willard boys brutally assaulted Officer Joseph H. Lillywhite on the Fourth. It appears that the officer arrested one of the culprits who instead of coming with the officer, struck him in the face and knocked him down. Marshall Evans arrived on the scene and the boys were marched off to jail. In the morning they furnished bail for their appearance when the case comes up for trial.

THE FOURTH.

The Fourth was celebrated in Brigham in a quiet way, that is, it was minus the shooting of cannons and fireworks. The band played the Stars and Stripes and bunting were seen everywhere. Horse races at Jensen's track, ball game at the park and dances in the evening were the attractions.

WIGHT-PETERSON WEDDING.

Wednesday at 12 o'clock Bishop N. Stohl performed the ceremony that made Miss Melissa Wight, daughter of Mr. and Mrs. William L. Wight of the Third ward, the wife of Mr. Edwin F. Peterson of the Second ward. Mr. and Mrs. Peterson took the next train for Ogden to visit friends.

ST. CHARLES, IDAHO

Daniel Hunt Victim of Painful Accident on the Fourth.

Special Correspondence.
St. Charles, Bear Lake Co., Ida., July 8.—The glorious Fourth has come and gone, and was fittingly observed here. While on his way home on the east

side of the lake, after the celebration, Mr. Daniel Hunt came near being killed by being thrown from his buggy. When about three miles from Turnpike post-office, he dropped one of his lines, and was thrown on his head and face with such force that his face was badly cut and his neck nearly broken. He had to lie on the ground helpless for some time, until Mr. Ed. Austin came along and took him to Turnpike, when Dr. King of Montpelier was called and found it necessary to take three stitches in the wound over the eye.

INTERSTATE NEWS BRIEFS

Notes from Lyman, Wyo.—Crops here look very promising, especially the grain crop. The Fourth of July passed off very pleasantly, there being nothing to mar the pleasures of the day. A patriotic program was given in the meetinghouse. A game of base ball was played by Cumberland and Lyman teams, the latter winning by a majority of 10. The day's sports ended with a grand ball in the evening. July 6 was a sportsy day in Lyman. A pool race was run, five horses entering. The three final prizes were won by the Rollins brothers. Miss Flossie Marshall has returned home after spending a few weeks with her sister, Mrs. A. G. Heder at Carter. Mr. and Mrs. Octavo White of Morgan are visiting relatives here. Mrs. Morgan from Beaver, Utah, has been visiting her sister, Mrs. Platts. She returned home Monday, the 6th.

Malad Notes—Farmers are more than elated over the prospects of their crops this coming fall. The contractors are now offering a good price for new wheat, which is to be threshed this fall, and are anxious to contract already. The loss of water is going to make some difference in the number of bushels, but no one expects a failure. Many are complaining of the heat; the thermometer registered today 94 degrees in the shade. Mr. and Mrs. George Dalton were made happy by the arrival of a fine baby girl. No work as yet has been done on the Deep Creek bridge, which was washed away by the water from the Deep Creek reservoir some two weeks ago.

Fire at Circleville—Yesterday evening the corral, stockyard and stable belonging to Albert Halladay were burned to the ground. The sets of harness and a saddle were also burned. The fire was started by his six-year-old son. A stiff breeze from the south soon had the blaze beyond control. No other damage was done. This morning the three-months-old baby boy of Mr. and Mrs. Mary Hinkins, died very suddenly. The weather is very warm and sultry. There has been no storm here for about 10 weeks, but now that the farmers are sharpening up their

knives preparatory to cutting hay, clouds appear and a rumble of the water wagon is heard at a distance.

LYON MAY GET REWARD.

In all probability the reward of 500 marks, or \$125, will be paid to Policeman J. M. Lyon for the capture of Theodore Schleich, alias Ravoir, a German who is accused of stealing from a foundry company in Pforzheim, Baden, Germany, 16,000 marks, or \$4,000, while acting as manager for the concern. Lyon arrested the man on description and Immigration Inspector McCabe has asked Chief Pitt to hold the man until orders come from the department of commerce and labor for the extradition of the alleged thief.

When you want to spend a pleasant evening, visit Waudamere.

Walker Bros. first store—in 1862

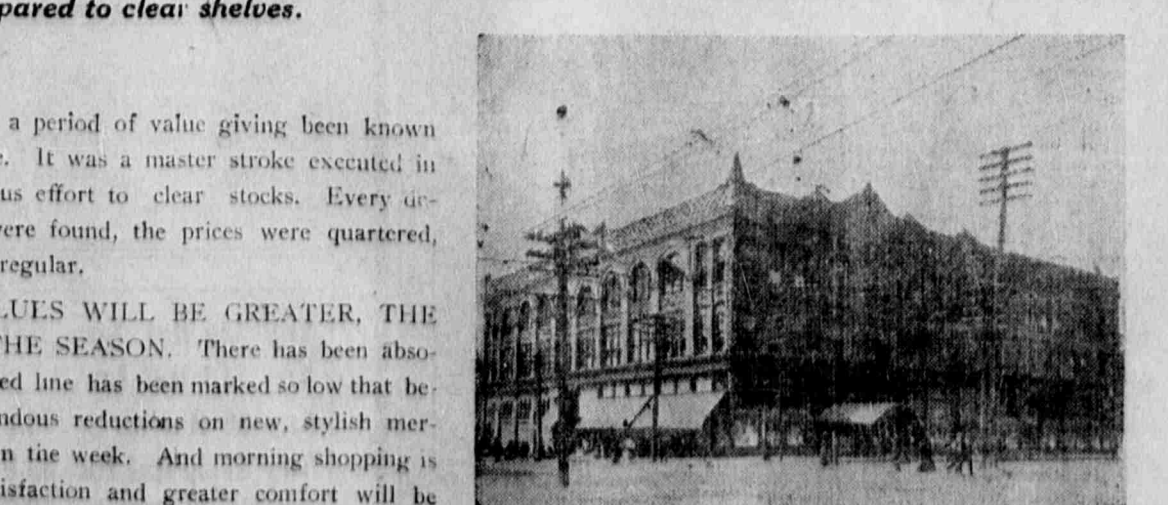

Never in the merchandising history of this city has such a period of value giving been known as was experienced last week during our great Anniversary sale. It was a master stroke executed in a masterful way. Values were entirely ignored in the tremendous effort to clear stocks. Every department was inventoried and wherever broken lines or sizes were found, the prices were quartered, halved and in some instances marked as low as 80 per cent off regular.

This week will be a duplicate of last—except THE VALUES WILL BE GREATER, THE PRICES WILL BE LESS. IT'S THE FINAL SALE OF THE SEASON. There has been absolutely no reserve in the great clearance. Every broken or depleted line has been marked so low that before the week ends they will be gone. To profit by these tremendous reductions on new, stylish merchandise, shoppers should make an effort to come down early in the week. And morning shopping is urged—so much cooler—crowds are not so great and better satisfaction and greater comfort will be realized.

Second week of Walker's "Forty-sixth anniversary" sale.

Another week of the greatest sacrificing of new, clean up-to-the-minute merchandise, Sale Lake ever patronized—

The last sale of the season—stock reduced to close—absolutely no effort has been spared to clear shelves.
